Reconciliation Economy

*A state in which **wealth** and **resources** are **equitably** shared and **sustainably** managed.*

McConnell social finance programs in the Indigenous economy:

ABSCAN

Diversifying the housing mix in
Indigenous communities in Quebec

Raven Indigenous Capital Partners

Financial Instruments

- Raven Indigenous Impact Fund (I)
- Social Finance Vehicles
- Indigenous Social Innovation Labs
- Indigenous Entrepreneurship and Investment Literacy Community Engagement

Aki Energy

Aki hires and trains Indigenous people to install *reliable geothermal and solar systems* that significantly reduce energy costs and greenhouse gas emissions in remote communities. Over 400 communities need this type of conversion.

Opportunities ?

Some possibilities:

Federal
